Acceptable Certificates from States other than New York

Disclaimer:

This guide references what certificates are accepted when applying for a Conditional Initial Certificate in the State of New York through Interstate Reciprocity.

In addition to possessing a valid certificate from another state, New York State requires the completion of an approved teacher education program that is comparable to New York State requirements OR three years of satisfactory teaching experience within the previous seven years under the certificate.

To verify that your certificate is currently accepted by New York State, please visit <http://www.highered.nysed.gov/tcert/certificate/levelcert.html>

Use of this guide is for reference only. Final authority regarding acceptability is given to the New York State Education Department.
